

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a blatant misuse of their license to operate as granted by the FCC.

In no ways can their decision to ask their affiliates, including KQVR in Sacramento, Ca. be considered a proper use of rights granted by their license.

The airwaves belong to all of us as citizens. As such we have a right to expect fair play and by no stretch of the imagination can this be considered fair play.

I trust you will seriously consider refusing license renewal unless Sinclair rescinds its' order to affiliate stations.
